Dear Liz,

**Application 15/00848 and 15/00849**  
**Dilton Cottage, Dilton, Boldre, Lymington, SO41 8PH**  
**Single storey extension & Two storey extension (demolish existing single storey extension)**

1. New Forest Association (NFA) objects to these applications.
2. There has been much activity around Dilton Cottage recently; not unwelcome and generally done in an appropriate manner. However there does not seem to be any special circumstance that warrants a breach in the 30% rule - a cornerstone NFNPA policy. I suppose chronologically speaking 00848 is acceptable and 00849 is unacceptable, but no doubt the applicant will wish to re-consider.

Yours sincerely,
