Dear Emma,

Application 00294 PONDHEAD, NEAR LYNDHURST, NEW FOREST
Wetland restoration comprising the replacement of 290m of artificial channel etc

1. New Forest Association (NFA) supports this application.
2. NFA stands by its earlier comments on 00046, but if this revised scheme meets with the approval of local residents - so much the better.

Yours sincerely,

A handwritten signature in blue ink that reads 'Graham Baker'.

Graham Baker, NFA Planning Committee
