Dear Emma,

Application 00253 FOREST HAVEN, JORDANS LANE, SWAY, LYMINGTON, SO41 6AR
Replacement dwelling; garage

1. New Forest Association (NFA) objects to this application.
2. What a total waste of everybody's time this application is; it annoys me as effort that could be spent improving the National Park is diverted onto dealing with this nonsense. NFA do not object to a replacement dwelling in principle, **but one that complies with DP10**. There is nothing in NPPF that in any way reduces the authority of that policy.

Yours sincerely,
